MEXICAN MACHINE GUNS BOMBARD U. S. ARMY BIPLANE; FLYER UNHURT

Carranza Representative Apologizes and Promises Offenders Will Be Punished

[Associated Press by Fed. Wireless.] BROWNSVILLE, Texas, April 21.—Mexican rifles and a Mexican machine gun were turned yesterday against a United States army biplane and Lieut. Jones and Milling, its pilot and observer. The machine ascended from Fort Brown and rose over American territory, at no time crossing the line, yet it became a target for riflemen of the Carranza garrison at Matamoros before it had gained any great height.

At first only one marksman attempted to bring down the American machine, but later there was considerable firing, some score or more of rifle balls whistling past the aviator. Finding himself the mark for deliberate fire, the aviator began to descend, just as a machine gun turned loose against him at least 50 shots.

Aviator Safe.

Lieut. Jones landed in safety with his passenger. Neither they nor the machine were hurt.

Gen. Funston, in command of the American forces on the border, was immediately notified by wireless of what had taken place. Gen. Carranza's consul here promptly apologized to Col. Augustus P. Blockson, Third United States Cavalry, and promised

that the offenders would be arrested and properly punished.

Booze Responsible.

The firing resulted, he said, from the command of an intoxicated sub-lieutenant, who mistook the American plane for one of Villa's machines. Fugate, an American aviator, recently enlisted with Villa's banding forces, which gave the excuse some color of plausibility.

VILLA DENIES REVERSE AT CELAYA WAS SERIOUS

EL PASO, Texas, April 21.—Gen. Villa issued denial yesterday that his repulse at Celaya by Gen. Obregon had been the disaster reported. The reports of the Carranzistas were that he had lost 5000 killed and 6000 prisoners, while Villa asserts that his total loss in killed, wounded and missing is below 2500.

Following the fight at Celaya, Villa says, he rallied his forces and administered a check to the Carranzistas at Salamanca.

'FRISCO REJECTS SPRING VALLEY WATER SCHEME

[Associated Press by Fed. Wireless.] SAN FRANCISCO, Cal., April 21.—"Too dear at the price," was the verdict yesterday at the polls, against the Spring Valley Water Company. Spring Valley offered to sell at \$34,500,000 after negotiations which dragged out for three years. A special bond election was held and the people voted the proposed sale down.

THROW AWAY YOUR EYE-GLASSES

A FREE PRESCRIPTION

You Can Have Filled and Use at Home

Do you wear glasses? Are you a victim of eye-strain or other eye-weakness? If so, you will be glad to know that there is real hope for you. Many whose eyes were failing, say they have had their eyes restored through the principle of this wonderful free prescription. One man says, after using it: "I was almost blind; could not see to read at all. Now I can read everything without any glasses and my eyes do not water any more. At night they would pain dreadfully; now they feel fine all the time. It was like a miracle to me." A lady who used it says: "The atmosphere seemed hazy with or without glasses, but after using this prescription for 15 days everything seems clear. I can even read fine print without glasses." It is believed that thousands who wear glasses can now discard them in a reasonable time and multitudes more will be able to strengthen their eyes so as to be spared the trouble and expense of ever getting glasses. Eye troubles of many descriptions may be wonderfully benefited by following the simple rules. Here is the prescription: Go to any active drug store and get a bottle of Optona. Fill a two-ounce bottle with warm water, drop in one Optona tablet and allow to dissolve. With this liquid, bathe the eyes two to four times daily. You should notice your eyes clear up perceptibly right from the start and inflammation will quickly disappear. If your eyes are bothering you, even a little, take steps to save them now before it is too late. Many hopelessly blind might have been saved if they had cared for their eyes in time.—advertisement.

MARYLAND EAGLE LIVE WITH NEWS OF NAVY AFFAIRS

OF by and for the Maryland. This is the editorial key to the Maryland Eagle, the monthly magazine published aboard the cruiser Maryland now in port for the salvage of the F-4.

Editorial comment has it that the Eagle is for the benefit and amusement of the crew who are obliged to shell out the necessary shillings before securing that amusement.

The April number of the little navy magazine is just off the press, and true to the adopted policy of the editors, Honolulu being the port visited, is given most of the space in description and picture. The next issue will be a Hawaiian number.

The Eagle features the F-4 story which brought the Maryland to Honolulu. The cuts of the submarine at tempted rescue were lent by the Star Bulletin, the local Honolulu scenes by the Advertiser. The cut used for the cover page was procured from the Paradise Tours.

The navy boys turn out a snappy little magazine with plenty of local ship hits. World news is handled to a certain extent so that the sheet is up-to-date. News of the navy is played up in detail and a list of gunnery prize awards is published for the battleship readers.

One poem appears in the present issue written by Miss Bessie Woodworth. The boys on the Maryland sent her a vote of thanks and, like her, love the cruiser which she calls the "Fighting Maryland." One verse tells of the Maryland's service:

"When Uncle Sam wants special service
He calls on 'The Mary' to go;
Twice she has been to Alaska.
Reconnaissance duty, you know;
Now she is serving the homeland.
Where our enemies proudly boast,
Protecting American interests
On Mexico's western coast."

The Eagle managers are H. S. Morris, editor; A. D. Booth, advertising manager; W. B. Hochersmith, publisher.

CALIFORNIA SOLON WOULD TAX BACHELORS

[Associated Press by Fed. Wireless.] SACRAMENTO, Cal., April 21.—Assemblyman Maurine Brown of Tuolumne county, yesterday introduced a bill the purpose of which is to impose a tax of ten dollars per year upon all bachelors in the state who are 30 years old or more. The bill calls for the enactment of a constitutional amendment to legalize the imposition of the tax.

Arrangements were completed for the funeral today of Maj. William Arthur, U. S. A., retired, a brother of the late President Chester A. Arthur, who died at his home at Cohasset, Mass.

The Investment Bankers' Association of America has decided to contest the income tax regulation, holding that income received by a partnership is not to be considered income of the members.

JAPAN PROMISES FOR CONCESSIONS TO PROTECT CHINA

[Associated Press by Fed. Wireless.] PEKING, China, April 21.—A decidedly important statement was made yesterday by the American minister, Paul S. Reinsch, who announced that he had been authorized by the American state department to deny the statements in circulation that China need expect no support from the United States in her decision to resist the Japanese demands on the grounds that to grant them would abridge American treaty rights in China.

Attitude of Mikado.

Replying to the Chinese argument that the Japanese demands are in conflict with existing treaties with the other powers, the Japanese minister, Mr. Hiroki, is reported to have declared:

"Japan will assume all the responsibility of protecting China against any demands made on her by the other powers on the grounds that her treaty obligations have been violated."

MOTHER! IF CHILD'S TONGUE IS COATED

If cross, feverish, constipated, bilious, stomach sour, give "California Syrup of Figs."

A laxative today saves a sick child tomorrow. Children simply will not take the time from play to empty their bowels, which become clogged up with waste, liver gets sluggish; stomach sour.

Look at the tongue, mother! If coated, or your child is listless, cross, feverish, breath bad, restless doesn't eat heartily, full of cold or has sore throat or any other children's ailment, give a teaspoonful of "California Syrup of Figs," then don't worry because it is perfectly harmless, and in a few hours all this constipation poison, sour bile and fermenting waste will gently move out of the bowels, and you have a well, playful child again. A thorough "inside cleansing" is oftentimes all that is necessary. It should be the first treatment given in any sickness.

Beware of counterfeit fig syrups. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has full directions for babies, children of all ages and for grown-ups plainly printed on the bottle. Look carefully and see that it is made by the "California Fig Syrup Company." Don't be fooled!—advertisement.

NAVY OFFICERS DOUBT PARADE THROUGH CANAL

[Associated Press by Fed. Wireless.] WASHINGTON, D. C., April 21.—In spite of the announcements of Secretary Daniels that the Atlantic battle fleet will leave New York for the Pacific not later than June 25, navy officers are skeptical that the fleet can be passed through the Panama Canal. Reports on prospective conditions were asked yesterday from Governor-General Goethals and Capt. Hugh Rodman, marine superintendent of the zone.

Though what went on in the conference is strictly withheld, it is presumed there was discussion of the Chinese problem. The situation between this country and China is becoming grave hourly.

HANALEI WRECK CAUSES LITIGATION

[Associated Press by Fed. Wireless.] LOS ANGELES, Cal., April 21.—The federal statutes limiting corporate liabilities were invoked here yesterday in the United States district court by the Independent Steamship Company against relatives of those lost in and survivors of the wreck of the steamship Hanalei, which was lost last November on Duxbury reef, a few miles north of the Golden Gate, with 21 drowned.

Unexpected claimants asking damages in large aggregate amounts have appeared from all sides. The court, as a preliminary measure, authorized the appointment of a commissioner to hear testimony in support of the validity of their claims.

John M. Shea, a former page in the house of representatives, was sentenced in Toledo to serve 10 years at hard labor in Moundsville Federal prison for swindling operations.

BRYAN HANDS OUT ROAST TO ADMIRAL PEARY

[Associated Press by Fed. Wireless.] WASHINGTON, D. C., April 21.—Rear-Admiral Robert E. Peary, retired, the discoverer of the North Pole, received a stinging rebuke today from Secretary Bryan of the state department.

At a recent banquet of the New York Republican Club, Admiral Peary declared in the course of an after-dinner speech:

"Within the next century, the United States either will be obliterated as a nation or we shall occupy the entire North American segment of the world."

"Such a prediction from an obscure man," retorted Bryan, "would be only foolish; from one in the position of Rear-Admiral Peary, it was little less than criminal."
